The Hamburg Alumni Foundation is a not-for-profit organization formed in 2001 to generate funds and secure resources for enrichment in the Hamburg Central School District. Its mission is to raise awareness of school needs, to solicit monetary gifts from private sources and to use these donations for programs, activities and improvements beyond the scope of school tax dollars.

The Foundation exists solely to benefit the Hamburg Schools. It is governed by a board of directors that are all Hamburg Alumni. Since inception, the Foundation has awarded over \$500,000 in grants and scholarships to Hamburg students and teachers.

If you would like to make a donation, call 648-7766 x14.
